EMPOWERING THE NEXT GENERATION

THE UPCOMING SEASON: WHAT TO EXPECT

This year promises to be even more empowering for the next generation of entrepreneurs. They will have access to industry mentors and exclusive monthly workshops led by professionals from top-notch companies. These mentors will provide invaluable guidance as they help students develop their ideas into real businesses. Together, we'll make a lasting impact on young minds, fostering innovation and creativity.

IMPORTANT DATES TO REMEMBER

August 5: Fundraiser at the Centre Club, 5:30 PM – 9:30 PM. at the Centre Club, 5:30 PM – 9:30 PM. Join us for an evening of networking, fun, and philanthropy to support the next generation of entrepreneurs. Your presence and contributions will help us create more opportunities for young minds to thrive!

SPOTLIGHTS

ERIC COURTNEY

Meet our talented NGT alum, **Eric Courtney**.

He has participated in NGT for 4 years, securing 3rd place in 2018/2019 for his imaginative alarm clock with gaming elements. NGT gave him the opportunity to shadow with Raymond James's cybersecurity team and intern at BayCare. Eric just landed a job as cybersecurity auditor at C360 Advanced. We are excited to see him thrive in his journey.

SCOTT VEJDANI

We are thrilled to highlight one of our most trusted mentors, **Scott Vajdani**! As the Director of Strategic Consulting at Epsilon and a Global Marketing Operations Leader, Scott brings a wealth of knowledge and experience to the NGT360 2.0 program. He has been instrumental in guiding many teams to victory and turning ideas into successful businesses.

OUR INTERNS

These interns are the future of technology, and we couldn't be prouder to have them on board for this year's internship program. Meet **Akshita Kumar**, **Nitya Padmanabhan**, and **Tanvi Garg** all rising seniors from Strawberry Crest IB High School. As well as **Lauren Churchill**, a rising junior from Palm Harbor University High School. Let's give a round of applause to these extraordinary interns for their hard work and the promise they hold. The NGT team is truly fortunate to have them onboard.
