INTRODUCING NGT 360 2.0 SEASON 2024-25

The upcoming season (10th year) of NGT 360 promises to be our most engaging and impactful yet. Our NGT360 2.0 is here to offer you more enriched programming. Here's what you can look forward to:

- **Personalized learning:** NGT 360 offers a tailored educational experience, allowing students to engage with content and projects that match their interests and skills.
- **Experiential Projects:** Students take ideas from concept to development, gaining hands-on experience in both entrepreneurship and technology.
- **Focus on Entrepreneurship:** The program helps students develop business ideas, encouraging innovation and practical business skills.
- **Technology Integration:** Students work on projects that integrate modern technological tools and methodologies, preparing them for the future and being tech enabled no matter which career path they choose
- **Skill Development:** The program emphasizes critical thinking, problem-solving, and collaborative skills, which are essential for success in the modern workforce.
- **Professional Network:** Work with industry leaders from all business verticals across the Tampa Bay community

PODCAST ALERT

Tune in to our first-ever podcast - **Teen Innovators**, Moderated by our intern Sahana Saiganesh 2023-24 2nd place This episode features NGT 360's last season winner, Ryan Qu! Get inspired as Ryan shares his journey, and hear from our CEO, Robyn Mussler, as she discusses the mission and vision behind our award winning program.

ROBYN MUSSLER, TITAN 100

TITAN 100

Our CEO and fearless leader, Robyn Mussler, is recognized as one of the 2024 TAMPA TITAN 100. This prestigious honor celebrates Tampa's Top 100 CEOs and C-level executives demonstrating exceptional leadership, vision and passion in their industries.

They will be honored at the inaugural awards ceremony on October 24th, 2024.

Congratulations to Riley Walker, a **sponsor and mentor** of NGT360 was also selected. Thank you for all the support you provide to the next generation of entrepreneurs.

10 YEARS SERVING OUR YOUTH

This year marks our **10th season of offering the Next Gen Tech 360** programming to our high school students here in the Tampa Bay. We started out with the Pinellas Education Foundation and have grown to impact over 1,400 students, awarding \$141,000 in grants, 200+ certifications as well as helped our students get internships and jobs. Connect-IT 360 was formed three years ago to expand and impact more young adults to have the skills, mindset & network to succeed no matter what career path they take.

We are excited to announce our **partnership with PloomSocial**. It is an innovative combination of video storytelling and community engagement. It enables us to tell our students' journey and the magical transformation they experience allowing our donors to be connected to us. Launching by Aug 23rd..

CODEBOXX

We are proud to be **partnering with CodeBoxx**. They will be providing mentors and technical expertise as well as immersive training programs. Their support will help students interested in pursuing a tech programming career track.
