EMPOWERING THE NEXT GENERATION

February 2024 Edition

OUR FINALISTS

We are thrilled to share the latest update on NGT360. After rigorous evaluations and intense competition, we are excited to reveal the five outstanding teams that have emerged as **finalists** for the NGT360 competition to compete for the \$10k grand prize:

- Shelf Sense
- College Knowledge
- Teens Next Door
- New2Fit
- Cultural Insights

FINALIST

These teams have demonstrated remarkable ingenuity, creativity, and determination, earning their well-deserved spots in the final showdown.

In the recent workshop, finalists delved deep into honing their **pitching** skills and developing their products guided by mentors and industry experts who shared invaluable insights. The dedication and passion displayed by each team were truly inspiring, setting the stage for what promises to be an unforgettable showcase of young talent.

As we move forward, the finalists are now channeling their energy into intense preparations for two significant events: the **Pre Game** and the **Synapse Summit**. At the Pre-game there will be exciting panels to watch, and amazing pitches.

PREGAME AND SYNAPSE
