EMPOWERING THE NEXT GENERATION

June 2024 Edition

POWEREDUP

On May 22, Connect-IT 360 was a **Geek Row** sponsor at the **poweredUp** festival hosted by Tampa Bay Tech. **New2Fit** joined us to feature their AI-fitness tool and showcase it to the Tampa Bay community. We want to thank our NGT360 community for joining us and supporting us, and a special thanks to Tampa Bay Tech for putting together this amazing event.

Witnessing the students' growth and their AI-fitness tool's development was inspiring. We're excited to collaborate with the Tampa Bay community for a greater impact on future leaders and innovators.

MEET OUR NGT360 INTERN TEAM!

Get ready to meet the rockstars joining us this season! From Pinellas and Hillsborough County, these students have previously rocked the NGT360 stage. Among them are **Ajitesh Reddy Busireddy**, **Leonard Seto Jr.**, **Ryan Qu**, **Andrew Barkman**, **Harsith Kollipara**, **Lauren Churchill**, **Trevor Foster**, **Esha Morar**, **Rhea Morar**, **Sahana Saiganesh**, **Stuti Patel**, and **Vaidehi Tyagi**. We look forward to their fresh perspectives and innovative ideas. Congratulations to our new interns!

GET READY FOR NGT360 2.0!

As we enter our tenth year, we're excited about what's next! Our summer Innovate 360 Boot Camp starts today, followed by another boot camp in the fall. Plus, stay tuned for details about the 2024-25 season!

Looking ahead, we're eagerly anticipating **NGT360 2.0**. We will continue to equip students with essential skills for both current and future careers, guided by experts from the Tampa Bay community.

NEW2FIT'S STRATEGIC SESSION WITH KEVIN DREAM TEAM

On May 14, the New2Fit team had a productive meeting with **Kevin Harrington's Dream Team**, where they delved into New2Fit's business strategy, covering aspects such as **strategic planning**, **landing page development**, and **tailored ads**. We look forward to what's next as New2Fit and Kevin's team continue to collaborate to bring their app to life!
