The NGT360 Journey

Over five months, teams (3-5 members) will create, refine, and launch a product. Students will attend industry events, collaborate with mentors, and compete for \$15,000 in prizes. The first-place team wins \$10,000 plus a 30-minute pitch session with Kevin Harrington, an original shark from the TV series Shark Tank!

Special for this season:

The winning team also secures an all-expenses-paid trip to Washington, D.C., to be showcased nationally and present at the prestigious Wawability event in July 2025 with the opportunity to earn additional sponsorship! [Learn more](#)

2024-2025 Program Highlights

- **Accelerated 5-Month Cohort** - Experience our dynamic hybrid program, with six interactive in person workshops combined with virtual components to maximize your entrepreneurial journey. **Kick-off is December 14th!**
- **Innovative Program Theme: "Differently Aabled"** - This season, each team will develop a technology-driven product or business that has at least one component that enhances accessibility for individuals with disabilities.
- **Who Should Apply?** We're looking for motivated and coachable HS students eager to transform ideas into reality and dive into the world of entrepreneurship.
- **Real-World Fundraising Experience:** With a program valued at over \$10,000, participants will work with mentors to fundraise a \$500 participation fee, developing critical skills in the process. **A \$100 registration deposit is required for each participant but fully refundable upon meeting your goal!**

- **PloomSocial** is the fundraising platform we will be using for students to conduct their fundraising.

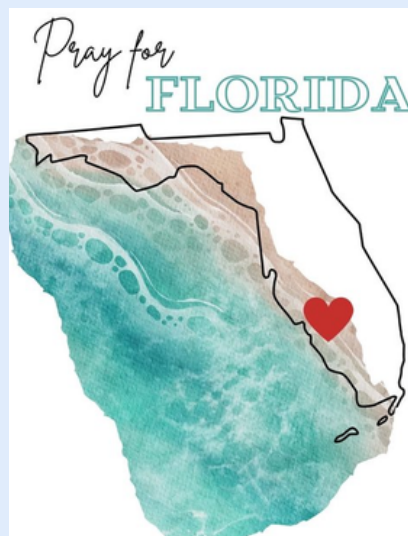

- **Mini Shark Pitches for Funding** - At each workshop, teams will have the opportunity to pitch to a panel of "mini sharks," earning additional funds to earn towards their fundraising goal.

Locations:

- Kick-Off: One Urban Centre, 4830 W Kennedy Blvd, Tampa, FL 33609
- Workshops: Various businesses across Pinellas and Tampa, giving you a closer look at our business community!
